

Year-end distributions for the Capital Group funds shown in the table below were paid on December 21, 2022, to unitholders of record as of December 20, 2022. Distributions may differ from earlier estimates since they include portfolio transactions occurring between October 16, 2022, and December 15, 2022, the funds' tax-year end. See pages 2 and 3 for summary distributions for funds and series having monthly or quarterly distribution schedules.

<sup>1</sup> For questions on Series I and IH distributions, please contact us at (888) 421-5111, option 1.

<sup>2</sup> Figures have been rounded; some sums may differ due to rounding.

<sup>3</sup> Funds will not make distributions from capital gains while a capital loss carryforward remains. Capital loss carryforwards were sufficient to offset any realized gains from the portfolio. For the most recent published information about capital loss carryforwards, please see the funds' financials posted at [capitalgroup.com/ca](http://capitalgroup.com/ca).

<sup>4</sup> USD units are not available for this portfolio.

<sup>5</sup> USD units are not available for this series.

<sup>6</sup> Represents cumulative income distributions paid in 2022.

<sup>7</sup> The fund's start date was June 30, 2022.

<sup>8</sup> CAD units are not available for this series.

<sup>9</sup> NAV and total distribution as % of NAV are in USD.

<sup>10</sup> Figures do not include monthly return of capital distribution payments.

**Commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.**

The payment of distributions should not be confused with a fund's performance, rate of return or yield.

Distributions paid as a result of capital gains realized by a fund and income and dividends earned by a fund are taxable in your hands in the year they are paid.

All Capital Group trademarks are owned by The Capital Group Companies, Inc. or an affiliated company in Canada, the U.S. and other countries.

Capital Group funds are offered in Canada by Capital International Asset Management (Canada), Inc., part of Capital Group, a global investment management firm originating in Los Angeles, California in 1931. Capital Group manages equity assets through three investment groups. These groups make investment and proxy voting decisions independently. Fixed income investment professionals provide fixed income research and investment management across the Capital organization; however, for securities with equity characteristics, they act solely on behalf of one of the three equity investment groups.
