Changes in and disagreements with accountants

On September 9, 2025, Deloitte & Touche LLP ("D&T") was dismissed and PricewaterhouseCoopers LLP was appointed as the fund's independent registered public accounting firm for the fiscal year ending September 30, 2026 audit. The change in the fund's independent registered public accounting firm was approved by the fund's board of trustees, including a majority of the independent trustees, upon recommendation of the audit committee, as part of a broader effort to update board oversight and fund operations. At no point during the fund's fiscal years ended September 30, 2024 and September 30, and the subsequent interim period through November 10, 2025, were there any disagreements between management and D&T on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.
