6 Signature of account owner/Signature guarantee

I certify that I have read, understand and agree to all pages of this *CollegeAmerica Rollover/Transfer Request* form as well as the terms set forth in the *CollegeAmerica Program Description* as it relates to this request. If rolling/transferring assets from a Qualified Tuition Program (i.e., a 529 plan) with a different beneficiary, I certify that the beneficiary of that account qualifies as a "Member of the Family" (as defined in the *Program Description*) of the beneficiary of this CollegeAmerica account. If the sending account is a 529 account funded with UGMA/UTMA assets, I understand that, generally, the beneficiary on the receiving American Funds account must be the same individual; if this is not the case, I should seek legal advice. If transferring from an Invest529 or CollegeWealth account, I understand this movement of funds is considered an investment strategy change. Once two investment changes are made within the same calendar year for the same account owner and beneficiary, a subsequent investment strategy change will be treated as a withdrawal. I understand that the prior financial institution is responsible for providing American Funds with a statement showing basis and earnings of the funds being rolled over/transferred. If American Funds does not receive this documentation, the entire amount will be treated as earnings in computing the earnings portion of any future withdrawal from the account. Refer to the *Program Description* for more information.
