Hays Evans is a Senior Vice President and Investment Counselor for Capital Group Private Client Services. Hays works directly with high net worth individuals and families to create customized plans for protecting and growing their wealth, often across multiple generations. He also helps nonprofit foundations and endowments to pursue their long-term financial objectives through effective planning and investment management.

Prior to joining our organization, he spent three years as a financial advisor with his family's wealth management practice, Evans, Watts, and Henshaw (a subsidiary of Wells Fargo Advisors). Previously, he was Managing Director of Institutional Sales-Trading at Morgan Keegan and, prior to that, was in a similar role at SunTrust Robinson Humphrey.

Hays earned an MBA from Georgia State University and a BA in finance from Birmingham Southern College. He serves as president of the Georgia Securities Association, as well as a board member for the Georgia Council on Economic Education and Peachtree Road United Methodist Church.

Hays is located in our Atlanta office.
